

Sibellas Franck

France , 18 april 1980

Cardiologist

CLINICAL PLACEMENT

High school

1995 - 1998, Lycée du Grésivaudan de Meylan, Isère - France

Medical studies

2000 - 2004 : **Externat** « Hospices Civils de Lyon»

2004 - 2008 : **Resident of Cardiology** - Lyon

2008 - 2009 : « **laureate golden medal of resident** » UCI : hôpital Lariboisière Paris - MEBAZAA A, and hôpital cardiologique Louis Lyon - **research** in acute hearth failure and biomarker UMR-S 942

2009 - 2012: « **Clinical Assistant**», **M.D.** in ICU cardiology (hôpital Louis Pradel, Lyon, Pr Bonnefoy) and interventional cardiology : Lyon France

2012 - 2013: **M.D. in Universitary hospital** «**praticien hospitalier**» (ICU cardiology , and interventional cardiology , hôpital Louis Pradel, Lyon, Pr Bonnefoy)

2013-2017 : ICU cardiology , and interventional cardiology, **Clinique Sauvergarde LYON**

Laureate of contest goden medal of resident, Lyon, 2008

DIU cardiac echography (très bien), 2008

Doctoral Theseis of cardiology (très honorable avec félicitations),
2008

DES of Cardiology and Vasculars diseases, 2008

DIU interventional cardiology , 2009 - 2011

Master II / DEA, cardiovascular physiology, metabolism and regulation , 2011

Scientific society

« *Group of young Cardiologists* » of *Fench Cardiology Society* :
2008-2010

WORKS

- No post-conditioning in the human heart with thrombolysis in myocardial infarction flow 2-3 on admission. Roubille F, Mewton N, Elbaz M, Roth O, Prunier F, Cung TT, Piot C, Roncalli J, Rioufol G, Bonnefoy-Cudraz E, Wiedemann JY, Furber A, Jacquemin L, Willoteaux S, Abi-Khallil W, Sanchez I, Finet G, **Sibellas F**, Ranc S, Boussaha I, Croisille P, Ovize M.
Eur Heart J. 2014

- Assessment of left ventricular systolic function by deformation imaging derived from speckle tracking: a comparison between 2D and 3D echo modalities. Altman M, Bergerot C, Aussoleil A, Davidsen ES, **Sibellas F**, Ovize M, Bonnefoy-Cudraz E, Thibault H, Derumeaux G. Eur Heart J Cardiovasc Imaging. 2014 Mar

- Acute myocardial infarction and anagrelide. Schaaf M, **Sibellas F**. Int J Cardiol. 2013 Sep

- Acute myocardial infarction: a precipitating event for transient global amnesia. Courand PY, **Sibellas F**, Gonidec S, Mechtouff L, Kirkorian G, Bonnefoy E. J Cardiovasc Med (Hagerstown). 2014 Jan

- Comparison of the diagnostic and prognostic values of B-type and atrial-type natriuretic peptides in acute heart failure. Seronde MF, Gayat E, Logeart D, Lassus J, Laribi S, Boukef R, **Sibellas F**, Launay JM, Manivet P, Sadoune M, Nourira S, Solal AC, Mebazaa A; Great network.
Int J Cardiol. 2013

- Arrhythmogenic effect of flecainide toxicity. Courand PY, **Sibellas F**, Ranc S, Mullier A, Kirkorian G, Bonnefoy E.
Cardiol J. 2013;

- Ranc S, **Sibellas F**, Green L, Acute intraventricular thrombosis of an impella LP 5.0 device in a ST-elevated myocardial infarction complicated by cardiogenic shock.. J Invasive Cardiol. 2013 Jan.

- El khoury C, **Sibellas F**, Bonnefoy E, Is there still a role for fibrinolysis in ST-elevation myocardial infarction ? Curr Treat Options Cardiovasc Med. 2012 Nov 30

- Bresson D, **Sibellas F**, Fahat F, Jegaden O, Kirkorian G, Bonnefoy E, Preliminary experience with Impella Recover(®) LP5.0 in nine patients with cardiogenic shock: A new circulatory support system in the intensive cardiac care unit, Arch Cardiovasc Dis, Aug 2011

- **Sibellas F**, Girerd N, Bejan-Angoulvant T, Rioufol G, Finet G, Chevalier P, Accelerated coronary atherosclerosis revealed by arrhythmogenic coronary spasm, Cardiology, 2011 Aug

PROCEDURAL SKILLS

Transthoracic cardiac echography: > 10 000

Transesophageal cardiac echography: > 1 500

Coronary angiography: 5 500

PTCA : 2 150 (with **FFR - IVUS - OCT - rotablator**)

Righth heart catheterization : > 500

Septal occluder (atrial, ventricular) : 60

Percutaneous paravalvular leak closure (aortic and mitral): 11

Percutaneous Left atrial appendage closure : 45

Percutaneous catheter drainage of pericardial effusion: 150

Pacemaker : 300

TAVI : 250

Mitraclip : 7

ECMO / ECLS : 45
